CLASSES OFFERED BY DIVISION

For complete class descriptions and judging specifications see the current USEF Rule Book, available online www.USEF.org. USEF and USDF membership information is contained within this premium material.

DRESSAGE – Open to Morgans and Friesians Only (No national points will be awarded)

Dressage tests will be performed in an outdoor arena in a 60m x 20m standard court. Introductory and Training level tests may be shifted to a 40m x 20m short court. A competitor who does not enter the arena within 45 seconds after the entry bell is rung for the ride shall be eliminated. Tests may be called during the competition. Announcing the test is limited to reading the movement as it is written, once only. Unauthorized assistance by anyone is prohibited and is cause for elimination. Per USEF regulations, helmets and numbers must be worn at all times when a horse is being exercised or ridden.

A horse and rider combination may enter each class one time only and may ride a maximum of three tests. **Riding times will be emailed approximately one week prior to the show.** Entries in this section are limited and must be in the hands of the show secretary by the entry closing date. Post entries for Dressage will only be accepted as scratches and availability allow. The Show Management reserves the right to reject any entry, as well as cancel or combine classes as necessary. Management also reserves the right to change the order of the classes as they are listed in the prize list. **For Test of Choice classes, please be sure to specify the test you choose to ride on your entry form.** Highest percentage score of all riders entered in class determines winner regardless of the test ridden. In case of a tie, the rider with the highest “riders marks” (collective mark) will determine the winner.

ROADSTER DIVISION

RD101 Eligibility

1. Roadster Horses: In order to compete all horses must be a Standardbred or Standardbred type. Roadster Ponies are not permitted to compete in Roadster Horse classes.
 - a. All horses competing in Federation Licensed Competitions must be properly identified and must obtain a Roadster Horse Identification number from the American Road Horse and Pony Association (ARHPA). An ARHPA Roadster Horse ID number for each horse must be entered on all entry forms for licensed competitions.
 - b. Only one unique ARHPA Roadster Horse ID Number will be issued per horse. This unique ID number must subsequently remain with the horse throughout its career. Anyone knowingly applying for a duplicate ID Number for an individual horse may be subject to disciplinary action.
 - c. The Federation and/or ARHPA as applicable must be notified of any change of ownership and/or competition name of the horse. Owners are requested to notify the Federation and/or ARHPA as applicable of corrections to previously submitted information, e.g., names, addresses, breed registration, pedigree, or markings.
 - d. The ARHPA Roadster Horse ID application is available from the ARHPA or the Federation office, or it can be downloaded from the ARHPA or Federation website or completed in the competition office. Competition management is responsible for notifying exhibitors of this requirement in their prize list.

Owners, riders, drivers, and trainers of horses participating at Federation licensed competitions in the Roadster Division must be current members in good standing with the American Road Horse and Pony Association. Originals or copies of the above listed membership cards must be provided to the competition unless at its discretion the membership can be confirmed electronically with either the AHHS or the ARHPA office. Lessees are considered owners in connection with these membership requirements. In the event of an entry under multiple ownership, only one owner need be a member of the required organization. Except as may otherwise be mandated by local law, protective headgear is strongly recommended for everyone showing in any class in the Roadster Division as outlined in GR801.4, .7 and .8. Except as may otherwise be mandated by local law, while riding or driving anywhere on the competition grounds, all juniors riding or driving in Roadster to Bike or Roadster Under Saddle classes must wear properly fitting protective headgear which passes or surpasses ASTM (American Society for Testing and Materials)/ SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag as specified in GR801. Harness must be secured and properly fitted. A matching cover may be worn over the protective headgear or the protective headgear may be painted in matching stable colors. See USEF RD101 through RD113 for full specifications.

57 Roadster to Bike – Open
209 Roadster to Bike, STAKE
(To be eligible, horses must have been entered, shown, and judged in class 56)

FRIESIAN DIVISION

Horses shown in this division must have been issued a membership certificate from the International Friesian Show Horse Association (IFSHA) confirming verification of Friesian heritage and identity with IFSHA. **IFSHA will no longer accept new horse applications or new horse owner applications at a horse show. All participants must provide the show secretary proof of membership of both the owner and the horse prior to coming to the show. This is necessary to make sure that all participants are treated equally. We have had issues with members and horses joining at a show without the proper registration paperwork and then being able to show. After the show, we then have to find these people and chase them down for their registration papers. We feel that this is not a burden that should be upon either the show secretary or the IFSHA office.**

Exceptions to this rule will be reviewed on a case-by-case basis by the Executive Director of IFSHA. To review both members and horses must provide prior to the entering the show ring a copy of their IFSHA membership and a copy of their horses IFSHA membership to participate in the show. Refer to FR 101.2

Horse Owners/Lessee's competing in Purebred & Part-Bred Friesian USEF licensed competitions recognized by International Friesian Show Horse Association (IFSHA) must be members in good standing with the IFSHA. In order to compete, horse owners/lessee's must provide a copy of their IFSHA membership card and a copy of the horse's IFSHA membership certificate with entry form. Any Friesian bred horse regardless of color, height and/or registry that can prove it's Friesian heritage and identity is eligible to compete provided the horse and the horse's owner/lessee are IFSHA members in good standing and the horse has been issued an IFSHA membership certificate.

Individuals signing the USEF Entry Agreement (i.e., rider, driver, handler, trainer or agent of an owner) for horses competing in the Friesian division must be members of IFSHA or pay to IFSHA a non-member fee. Horse owners/lessee's must be members of IFSHA as required in FR101.1a. Exception: A parent or guardian signing for a minor does not need to be an IFSHA member nor pay the non-member fee.

IFSHA and its assigns reserve the right to validate the horse DNA at the horse owner's expense in the event that a protest or grievance has been filed with IFSHA and/or the USEF. Part-bred Friesians must have at least 50% pure Friesian blood and one pure blood Friesian parent.

191 UPHA Challenge Cup - OTAB

Open to all saddle seat equitation riders, 17 years of age and under, riding a mare or gelding of any breed. No minimum number of entries is required to fill a class. Showmanship is paramount throughout the class. Riders compete at the walk, trot and canter both ways of the ring, line up, and a minimum of the top four (4) riders must be worked individually at the mandatory workout; more may be worked at the judge's discretion. Showmanship is a primary factor throughout the class, therefore, "Show Your Horse" is no longer a necessary or acceptable test. The mandatory workout in all qualifying competitions (except Walk/Trot classes) is: "Trot a serpentine to the opposite end of the ring. Return down either rail at a show trot." The proper calling of the gaits shall be "walk, show trot and canter". One UPHA Challenge Cup win eliminates that rider from further competition in qualifying classes that season, with the exception of the 11 and Under age group See USEF Subchapter EQ-3, EQ118.17e.2. Judging is based on 60% rail work and 40% on the individual workout. The first four places are eligible for the Chapter Championship. The winner of this class is also eligible for the UPHA National or Junior Challenge Cup Championships. See USEF EQ118.17b Open to Mares & Geldings only. Horses to be fitted and shown according to breed type. Showman to demonstrate ability to lead, move, and turn his/her animal and perform other tests as the judge directs. Only one exhibitor shall be allowed in the ring to show each horse. English or Western must be designated on entry form.

140 The Good Hands – OTAB

A minimum of three riders are required to individually execute a figure eight at a canter, trot back to judge, stop and back. After which USEF tests 1-16 may be called for (see USEF rulebook for details of tests). Horsemanship only to count. Judging is based 40% on rail work; 60% on the workout. This class should show the horse's ability to work at a forward, working speed while under control of the rider. Light contact should be rewarded and the horse shall not be shown on a full drape of reins. The overall manners and responsiveness of the horse while performing the maneuver requirements and the horse's quality of movement are the primary considerations. Horses should NOT perform or be rewarded for performing gaits as they do in Western Pleasure. The horses are to be presented in a more forward-moving style than the typical Western Pleasure horse. The horse and rider will be scored on movement, which is cadence and rhythm of gaits, smoothness and consistency in performance, along with how they perform on the optional maneuvers. For rules regarding correct Western appointments, refer to MO132. The required gait maneuvers will include the walk, jog, and lope of both directions; and the extended jog and extended lope going at least one direction; as well as stops, and a back. Optional maneuvers are side pass, turns of 360 degrees or more, change of lead (simple or flying), walk, jog or lope over a pole(s); or some combination of maneuvers that would be reasonable for a ranch horse to perform.

- RANCH RIDING: Each horse will work individually, performing both required and optional maneuvers, and scored on the basis of 0 to 100, with 70 denoting an average performance.

- RANCH PLEASURE: Horses will work as a group on the rail and will be asked to perform the required maneuvers only. The overall cadence and performance of the gaits should be free-flowing and ground covering at all gaits, with an emphasis on forward movement. Transitions should be performed where designated, with smoothness and responsiveness.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

USDF Membership Benefits: USDF is dedicated to education, the recognition of achievement, and promotion of dressage. For details on member benefits, including educational programs, awards, and other opportunities, refer to the *USDF Member Guide* or the USDF website at www.usdf.org.

**This
competition
is recognized
by USDF
for 2023**

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
