CLASSES OFFERED BY DIVISION

For complete class descriptions and judging specifications see the current USEF Rule Book, available online www.USEF.org. USEF and USDF membership information is contained within this premium material.

DRESSAGE – Morgan Only

Dressage tests (except Introductory Level) will be performed in the main indoor arena or, weather permitting, using an outdoor arena in a 60m x 20m Court. A competitor who does not enter the arena within 45 seconds after the entry bell is rung for his/her ride shall be eliminated. Tests may be called during the competition. Announcing the test is limited to reading the movement as it is written, once only. Unauthorized assistance by anyone is prohibited and is cause for elimination. Per USEF regulations, numbers must be worn at all times when a horse is being exercised or ridden. A horse and rider combination may enter each class one time only. Highest score of all riders entered in class determines winner regardless of the test ridden. In case of a tie the rider with the highest “riders marks” (collective mark) will determine the winner.

Riding times will be sent prior to the beginning of the show. Entries in this section are limited and must be in the hands of the show secretary by the entry closing date. Post entries for Dressage will only be accepted as scratches and availability allow. The Show Management reserves the right to reject any entry, as well as cancel or combine classes as necessary. Management also reserves the right to change the order of the classes as they are listed in the prize list. For Test of Choice classes, please be sure to specify the test you choose to ride on your entry form.

ROADSTER DIVISION

RD101 Eligibility

1. Roadster Horses: In order to compete all horses must be a Standardbred or Standardbred type. Roadster Ponies are not permitted to compete in Roadster Horse classes.

a. All horses competing in Federation Licensed Competitions must be properly identified and must obtain a Roadster Horse Identification number from the American Road Horse and Pony Association (ARHPA). An ARHPA Roadster Horse ID number for each horse must be entered on all entry forms for licensed competitions.

b. Only one unique ARHPA Roadster Horse ID Number will be issued per horse. This unique ID number must subsequently remain with the horse throughout its career. Anyone knowingly applying for a duplicate ID Number for an individual horse may be subject to disciplinary action.

c. The Federation and/or ARHPA as applicable must be notified of any change of ownership and/or competition name of the horse. Owners are requested to notify the Federation and/or ARHPA as applicable of corrections to previously submitted information, e.g., names, addresses, breed registration, pedigree, or markings.

d. The ARHPA Roadster Horse ID application is available from the ARHPA or the Federation office, or it can be downloaded from the ARHPA or Federation website or completed in the competition office. Competition management is responsible for notifying exhibitors of this requirement in their prize list.

Owners, riders, drivers, and trainers of horses participating at Federation licensed competitions in the Roadster Division must be current members in good standing with the American Road Horse and Pony Association. Originals or copies of the above listed membership cards must be provided to the competition unless at its discretion the membership can be confirmed electronically with either the AHHS or the ARHPA office. Lessees are considered owners in connection with these membership requirements. In the event of an entry under multiple ownership, only one owner need be a member of the required organization. Except as may otherwise be mandated by local law, protective headgear is strongly recommended for everyone showing in any class in the Roadster Division as outlined in GR801.4, .7 and .8. Riders compete at the walk, trot and canter both ways of the ring, line up, and a minimum of the top four (4) riders must be worked individually at the mandatory workout; more may be worked at the judge's discretion. Showmanship is a primary factor throughout the class, therefore, "Show Your Horse" is no longer a necessary or acceptable test. One UPHA Challenge Cup win eliminates that rider from further competition in qualifying classes that season, with the exception of the 11 and Under age group See USEF

Subchapter EQ-3, EQ118.17e.2. Judging is based on 60% rail work and 40% on the individual workout. The first four places are eligible for the Chapter Championship. RANCH PLEASURE – NON USEF

The purpose of Ranch Pleasure should reflect the versatility, attitude, and movement of a working horse. This class should show the horse's ability to work at a forward, working speed while under control of the rider. Light contact should be rewarded and the horse shall not be shown on a full drape of reins. The overall manners and responsiveness of the horse while performing the maneuver requirements and the horse's quality of movement are the primary considerations. Horses should NOT perform or be rewarded for performing gaits as they do in Western Pleasure. The horses are to be presented in a more forward-moving style than the typical Western Pleasure horse. The horse and rider will be scored on movement, which is cadence and rhythm of gaits, smoothness and consistency in performance, along with how they perform on the optional maneuvers. For rules regarding correct Western appointments, refer to MO132. The required gait maneuvers will include the walk, jog, and lope of both directions; and the extended jog and extended lope going at least one direction; as well as stops, and a back. Optional maneuvers are side pass, turns of 360 degrees or more, change of lead (simple or flying), walk, jog or lope over a pole(s); or some combination of maneuvers that would be reasonable for a ranch horse to perform.

- RANCH RIDING: Each horse will work individually, performing both required and optional maneuvers, and scored on the basis of 0 to 100, with 70 denoting an average performance.

- RANCH PLEASURE: Horses will work as a group on the rail and will be asked to perform the required maneuvers only. The overall cadence and performance of the gaits should be free-flowing and ground covering at all gaits, with an emphasis on forward movement. Transitions should be performed where designated, with smoothness and responsiveness

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

KEY CLASSIC FACT SHEET

What is the Key Classic Benefit Horse Show? The Key Classic Benefit Horse Show is one of two horse shows sponsored each year by the Morgan Horse Club of Washington State. This is the 45th Annual Key Classic Benefit Horse Show. It is a four day show offering classes in Dressage, Driving, Western Dressage, Saddle Seat, Hunter, Halter, Ranch, Reining, Trail and other disciplines.

What is the benefit to our youth? Showing a horse at a horse show teaches responsibility, teamwork, good sportsmanship, and perseverance. They learn the spirit of competition, develop relationships with others, and gain confidence. All of these are skills that transfer to other parts of their lives.

What is the Morgan Horse Club of Washington State? Our club was started to promote the Morgan Horse breed in Washington State and to provide Morgan horse owners another way to enjoy their horses. The Club is affiliated with the American Morgan Horse Association. We sponsor horse shows to provide our members with an opportunity to show off our majestic, athletic, and intelligent breed. We are a 501 c 7 not for profit organization.

What is an OTAB Class? Open to All Breed classes offer horses of any breed the opportunity to participate in our show. It is our way to support the equine community in our area since many breeds do not have horse shows specific to their breed.

What is EQuest Special Riders, Inc.? EQuest is a 501(c)3 nonprofit organization (tax ID # 91-1220703) which uses horseback riding to promote physical and mental strength, coordination, and self-esteem for individuals with disabilities. The Key Classic Benefit Horse Show donates a substantial portion of the show proceeds to EQuest. This horse show is an important source of their annual revenue.
